

Broomball 2003...with a nod to the Hipster's Handbook

(A clue: If you're deck, you know what deck & fin mean. If you're fin, you don't know what either means.)

<u>DECK</u>	<u>FIN</u>
Bringing a keg to broomball	Bringing a keg of Miller Lite to broomball
Craps	Hearts
Tar Heel Chili	Alpo
Black underwear	White underwear & the dismay one feels at the possible presence of brown stripes
Vanilla Coke & Fleischman's (Wisconsin's most popular vodka)	Lunchboxes

The addition of some new handles the permanent Pantheon of Broomball nicknames (Floor Joist, Head-wound Harry, Thing One & Thing Two now join Black Hawk Down, Swamp Gas & Boogie Nights.)	Dull trying to remember Rachiele's prior nickname & coming up with Johnny Poopy Pants.
Opening ceremonies, in which Rachiele managed to turn a bunch of white middle-class, thinning-hair corporate drones (myself included) into fire-breathing Men of Action.	Closing ceremonies, in which Rohde slid his white hairless ass across the ice, sealing the pond shut for 2003.
The presence of an MD & EMT in case of medical emergency.	The absence of a DDS or JD to help with oral injuries or solve disputes.
Two team, 4-man broomball with breaks only for beer & injuries	Four team, 6-man broomball with a preponderance of standing around, waiting
Listening to Lecy tell him to get a sippy cup & take a nap	Listening to Geeto complain about rule violations
Titus, Shootman, Beck & Pete Dull for their willingness to traverse continents to attend	Paul Schnorr for his unwillingness to drive 20 minutes from his home to join us

Foreskin	Hemorrhoids
Memorializing the Ring of Fire digitally (except I can't download the damn thing)	Overpromoting Broomball with daily e-mail reminders
